Also, the figures upto the end of the third quarter has been reviewed by the auditors.

3. The gap between the current liabilities and current assets amounting to Rs. 17,513.64 lakhs is mainly on account of current

maturities of long term debt. The Company is actively engaged in one time settlement with remaining 3 Lenders through monetizing some of its fixed assets, recovery of dues from its clients and improving EBIDTA. During the quarter ended March 31, 2021, the company has sold cranes amounting to Rs. 775 lakhs, which has resulted in profit of Rs. 402 lakhs. Entire proceeds realized, has been paid to the Lenders to reduce the debt of the Company.

The company has demands from Commissioner of Customs(Export/EPCG) amounting to Rs. 1,294.67 Lakhs & Sales Tax/MVAT department of Rs. 27,716.23 Lakhs. The Company has disputed these demands and obtained stay orders in many cases. The Company believes that it has a good case and therefore no provision has been made in the books for the same. One of the lenders to a subsidiary of the company has invoked shortfall undertaking amounting to Rs. 6,627.20 Lakhs for loan taken by the subsidiary. The same has been disputed by the Company and the entire Debt Due has been deposited in Gujarat High Court and the matter is sub-judice.

During the year, on account of prevailing COVID situation, the company has carried out detail analysis of trade receivables and other financial assets. Accordingly, impairment provision of Rs.1645.26 lakhs has been made against such assets which has been disclosed as exceptional item

The Bank of India (B0I) had approved One Time Settlement ("OTS") of its outstanding dues vide its approval letter no. MLCB:2020-21 dated September 30, 2020. As per settlement terms, OTS amount of Rs. 872.57 lacs (including interest and incidental expenses) was paid by the company. The company has complied with the terms of approval of such OTS and obtained No Dues Certificate letter dated 26.03.2021. Accordingly, the Company has accounted and disclosed gain of Rs. 1274.24 lacs arising out of OTS under

During the current year the company had received the sanction of One Time Settlement (OTS) from JM Financial Asset Reconstruction Company Limited (JMFARC) vide its letter reference no. JMFARC/VG/FY21/0722 dated November 13, 2020. As per the approval letter, the Company is required to make payment of Rs 3.800 lacs in six installments, out of which Rs 1.000 lacs were due and payable by 31st March 2021 and balance of Rs 2,800 lacs are due and payable from 1st April 2021 to 31st Dec 2021. The Company has complied with terms by making payment of Rs 1,000 lacs by March 31, 2021. However, pending balance paymen under OTS and release of No Dues Certificate from JMFARC and related documents, Company has not recognized the impact of OTS in its books of accounts. Company is continuing with the pre OTS loan liability and accounted full year interest on the same Against the total liability (Outstanding Joans and interest) of Rs. 11271.03 lakhs as on March 31, 2021, company is required to make wment of Rs. 2800 lakhs only.

The balances in Trade Receivable, Trade Payable, Advances and certain Bank balances are subject to reconciliation/confirmation and adjustment, if any. In the opinion of the management there will be no material adjustment and if any, will be carried out as and when ascertained

The Company has not received any balance confirmation from Axis Bank and Edelweiss Assets Reconstruction Company Ltd.(the Lenders) as at March 31,2021. In the opinion of the management there will be no material adjustment on the confirmation by the Lenders

10 The company has elected to carry its Property Plant and Equipment (PPE) at previous GAAP carrying value as its deemed cost on the date of transition to Ind AS and thereon continued to compute depreciation as required under Companies Act, 2013. No impairment on non-operative PPE due to corrosion and being stationed unused at remote locations have been considered

Covid – 19 Pandemic had been rapidly spreading throughout the world. The Government of India has taken significant measures to control the spread of virus which included complete lockdown and restrictions in activities. This affected the Company's operations considerably during the F.Y. 2020-21 and impacted the revenues and operations of the Company during the period. This has also resulted in some of the cranes being de-hired and lying idle. Although there was improvement in the last quarter of FY 2021, the second wave has again imposed uncertainties for FY 2021-22. It is clearly a dynamic and fast changing situation and the actual impact in the future may be different from those estimated as at the date of approval of these financial results

12 The Company has operated only in one reportable segment 13 The above financial results are available on the company website www.starlog.in and also on the website of BSE (www.bseindia.com)

No impairment on non-operative PPE due to corrosion and being stationed unused at remote locations have been considered. 11 Covid – 19 Pandemic had been rapidly spreading throughout the world. The Government of India has taken significant measures to

control the spread of virus which included complete lockdown and restrictions in activities. This affected the Company's operations considerably during the F.Y. 2020-21 and impacted the revenues and operations of the Company during the period. This has also resulted in some of the cranes being de-hired and lying idle. Although there was improvement in the last guarter of FY 2021, the second wave has again imposed uncertainties for FY 2021-22. It is clearly a dynamic and fast changing situation and the actual

impact in the future may be different from those estimated as at the date of approval of these financial results. 12 The Company has operated only in one reportable segment 13 The above financial results are available on the company website www.starlog.in and also on the website of BSE (www.bseindia.com)
