EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013:

Item No. 4: To appoint M/s. Bhattacharya Das and Co, Chartered Accountants as the Statutory Auditors of the Company

The Member of the Company are informed that M/s. Gupta Rustagi & Co, will complete their term as the Statutory Auditors of the Company, at the conclusion of 41st Annual General Meeting (“AGM”) of the Company.

In view of the above, based on the recommendation of the Audit Committee, the Board of Directors of the Company (the “Board”), at its meeting held on May 12, 2025, approved the appointment of M/s. Bhattacharya Das and Co, Chartered Accountants (Firm Registration No. 307077E) as the Statutory Auditors of the Company to hold office for a term of 5 (five) consecutive years, i.e., from the conclusion of the 41st AGM till the conclusion of the 46th AGM of the Company, subject to approval of the Members at the ensuing 41st AGM, on payment of such remuneration as may be mutually agreed upon between the Board and the Statutory Auditors, from time to time.

Pursuant to Section 139 of the Companies Act, 2013 (“the Act”) and the Rules framed thereunder, the Company has received written consent from M/s. Bhattacharya Das and Co and a certificate that they satisfy the criteria provided under Section 141 of the Act and that the appointment, if made, shall be in accordance with the applicable provisions of the Act and Rules framed thereunder. As required under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, M/s. Bhattacharya Das and Co, has confirmed that they hold a valid certificate issued by the Peer Review Board of the Institute of Chartered Accountants of India (ICAI).

M/s. Bhattacharya Das and Co, Chartered Accountants (Firm Registration No. 307077E) is an Indian partnership firm registered with the Institute of Chartered Accountants of India (ICAI). The Firm provides a wide range of services which include Audit & Assurance, Taxation and Accounting Advisory. The Firm's Audit and Assurance team has significant experience in audit of various

industries. After evaluating the proposals and considering various factors such as independence, industry experience, technical skills, geographical presence, audit team, audit quality reports, etc., M/s. Bhattacharya Das and Co, have been recommended to be appointed as the Statutory Auditors of the Company.

The proposed remuneration to be paid to the Auditors for the FY 2025-26 is Rs. 11,00,000/- (Rupees Eleven Lakhs Only). The said remuneration excludes applicable taxes and out of pocket expenses.

Considering the increase in the volume of transactions and business activities, there is an increase in the remuneration proposed to be paid to M/s. Bhattacharya Das and Co, for the statutory audit to be conducted for the financial year ending March 31, 2026 vis-à-vis the remuneration paid to M/s. Gupta Rustagi & Co, the retiring Statutory Auditors, for the statutory audit conducted for the financial year ended March 31, 2025.

The Audit Committee and the Board is confident and satisfied about the recommendations of appointment of M/s. Bhattacharya Das and Co and upholding of the highest standards of audit quality and compliance. The Board of Directors recommends the resolution for approval of the Members of the Company as an Ordinary Resolution, as set out at Item No. 4 of the Notice of the AGM.

None of the Directors, Key Managerial Personnel or any of their respective relatives are, in any way, concerned or interested, whether financially or otherwise, in the Item No. 4 as set out in this Notice.

Item No. 5: To appoint Mr. Ritul Parmar, Practising Company Secretary as the Secretarial Auditors of the Company

In compliance to the provision of Section 204 of the Companies Act 2013, read with the rules framed thereunder read with Regulation 24A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”), every listed entity is required to undertake Secretarial Audit by a Peer Reviewed Secretarial Auditor who shall be appointed by the Members of the

Company, on the recommendation of the Board of Directors, for a period of five consecutive years or a Secretarial Audit firm as Secretarial Auditor for not more than two terms of five consecutive years.

Accordingly, based on the recommendations of the Audit Committee and the Board of Directors, it is hereby proposed to appoint Mr. Ritul Parmar, Practising Company Secretary, Navi Mumbai (Membership No. F13125, CP No. 14845) (Peer Review Certificate No.: 2586/2022), to hold office as the Secretarial Auditors of the Company for a period of 5 consecutive years commencing from financial year 2025-26 to financial year 2029-30, to conduct a Secretarial Audit of the Company and to furnish the Secretarial Audit Report pursuant to provisions of Section 204 of the Companies Act read with Rule 9 of Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modification(s) or re-enactment thereof for the time being in force) and Regulation 24(A) of the Listing Regulations, on payment of such remuneration as may be mutually agreed upon between the Board of Directors and the Secretarial Auditor, from time to time.

Mr. Ritul Parmar, Practising Company Secretary, have experience of more than 13 years in the field of Corporate Laws & compliances and holds the 'Peer Review' certificate as issued by Institute of the Company Secretaries of India ('ICSI'). After evaluating the proposals and considering various factors such as independence, industry experience, technical skills, geographical presence, audit quality reports, etc., Mr. Ritul Parmar, have been recommended to be appointed as the Secretarial Auditors of the Company.

The proposed remuneration to be paid to the Mr. Ritul Parmar, Practising Company Secretary for the FY 2025-26 is Rs. 35,000/- (Rupees Thirty Five Thousand Only). The said remuneration excludes applicable taxes and out of pocket expenses.

The Audit Committee and the Board is confident and satisfied about the recommendations of appointment of Mr. Ritul Parmar, Practising Company Secretary and upholding of the highest standards of audit quality and compliance. The Board of Directors recommends the resolution for approval of the Members of the Company as an Ordinary Resolution, as set out at Item No. 5 of the Notice of the AGM.

There is no material change in the remuneration payable to Mr. Ritul Parmar, Practising Company Secretary.

None of the Directors, Key Managerial Personnel or any of their respective relatives are, in any way, concerned or interested, whether financially or otherwise, in the Item No. 5 as set out in this Notice.

Management Discussion & Analysis Report

The information, opinions and views expressed in this section of the Annual Report contain certain forward-looking statements which involve risks and uncertainties. The Management has made its best efforts to present this discussion/ analysis and believes these to be true to the best of its knowledge at the time of its preparation.

INDUSTRY STRUCTURE AND DEVELOPMENTS

The crane market in India is experiencing a significant upsurge primarily driven by the country's rapid urbanization and substantial infrastructural development. This growth trajectory is closely linked to major government projects such as the construction of smart cities, highways and metro projects which have been pivotal in escalating the demand for cranes. Furthermore, the expansion of both residential and commercial real estate sectors is contributing notably to this demand.

The construction sector emerges as the predominant user, employing cranes extensively for high-rise buildings, bridges and other infrastructure projects. Similarly, the manufacturing and industrial sectors are leveraging cranes for heavy lifting in plants and warehouses, while the transport and logistics sector is utilizing them in ports for cargo operations and in various transportation projects.

Regarding the types of cranes in high demand, mobile cranes are leading the market due to their flexibility and ease of mobility making them especially suitable for urban construction sites. Tower cranes are indispensable in the construction of high-rise structures, and crawler cranes are sought after for projects requiring heavy lifting over softer terrains.

The competitive landscape of the Indian crane market comprises both domestic and international players, with competition centered around technology, price, and after-sales service. Companies are increasingly adopting new technologies to enhance efficiency, safety and environmental compliance.

The market is set to maintain a positive growth trajectory adapting to technological innovations and evolving market demands.

OPPORTUNITIES AND THREATS

The Central Government's emphasis on the renewable energy more particularly on wind power generation and solar energy will bound to increase the demand for the crane rental business. In view of the increased investments in the renewable energy sector and upcoming projects in refinery and gas, cement, power and steel sector, the company expects increase in demand and rental for the cranes. Your Company has been providing heavy lift, plant erection and maintenance services to various large-scale projects. Your Company has maintained a good track record in terms of effective deployment of cranes at competitive rates with due regard to time schedule as well as safety and efficiency in operations.

The growth of crane rental business could be constrained due to the high capital cost required in large scale projects.

Furthermore, there may not be suitable cranes available for specific jobs.

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The company is primarily engaged in the business of providing cranes on rental basis and business that is ancillary to crane rental. All the commercial operations of the company are based in India. Accordingly, there are no separate reportable segments.

OUTLOOK

With the growth of infrastructure in India, the Company is cautiously optimistic on the demand for crane rental. However, due to decline in the infrastructure spend in China, large scale imports of used Chinese cranes into India is seen as a threat on the rental rates in India.

RISKS AND CONCERNS

Regulatory Risk

Our Company is often required to obtain various licenses, approvals, permissions and registrations for operating, any changes in the regulations or norms by authorities might affect the operations of the Company. In light of various initiatives taken by Government of India to encourage logistics sector and make considerable Investment in this sector, we are likely to predict positive position in near future.

Economic Risk

The present global economic conditions are major factor on which business sustainability is dependent, which in wider aspects have an impact on the Indian Economy as a whole.

Market & Industry Risk

In respect of crane rental business, issues of concern are inter-state movement of cranes and imposition of entry tax for transiting cranes. Delays in realization of payments from the Company's clients both in private and public sectors is a serious cause of concern. Payment of Goods and Service tax on the basis of billing is a drain on the cash flow of the Company. The demand for cranes will grow once the investments in Infrastructure sector picks up but it will be challenging at prevailing low rental rates.

Financial Risk

Starlog is in the equipment rental business, incorporated in 1983. Starlog plans to invest in specialised equipment to meet India's growing needs for energy, infrastructure and natural resources. Thus, any changes in the capex shall have effect on our business operations and revenue generation.

Liquidity Risk

The principal source of liquidity of our Company is cash and cash equivalent being generated from the operations of the Company which shall have direct variation with the Company's operating profits.

Interest Rate and Foreign Exchange Risk

The Company has its entire borrowing in Indian Rupee at fixed rates of interest. It does not have any foreign exchange risk.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The organization is well structured. The Company has adequate system of internal controls commensurate with size and the nature of operation. These have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorized use or losses, executing transactions, proper authorization and ensuring compliance of corporate policies. The Company has an Audit Committee, and it meets the Statutory Auditors to ascertain, inter alia, their views on the adequacy of internal control system in the Company and keeps the Board of Directors informed of its major observations from time to time. It also evaluates the Company's strategic risk management system and suggests risk mitigation measures for all the key operations.

The company periodically inspects its cranes and is monitoring operations on a daily basis.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

The financial statements are prepared in accordance with Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India. The results of the operations are discussed in the Board's Report, which forms part of this Annual Report.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED:

Your Company endeavours to create a work environment which is collaborative and learning and growth oriented to enable employees to perform at their full potential. Your Company believes that a motivated and empowered employee base is the key to its operations and business strategy, and has

developed a large pool of skilled and experienced personnel. Your Company maintain a collaborative, inclusive, non-discriminative and safe work culture, and provide equal opportunities to all employees. It believes that such an enabling environment is essential for the Company to deliver value for our customers, shareholders and communities. The Company also takes various measures to keep its employees motivated and committed to their work by providing them a healthy work environment. The Industrial Relations have remained cordial. As on March 31, 2025, the Company had 56 employees (previous year 62 employees) on its roll.

Standalone Financial Statements

Independent Auditor's Report

To
The Members of
STARLOG ENTERPRISES LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Starlog Enterprises Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 and profit, changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion

Emphasis of Matters

We draw attention to the following matters in the Notes to the Standalone Financial Statements:

1. The Company has shown investments of Rs. 12.01 Crore in South West Port Limited ("SWPL") which is equivalent to 26% of equity capital of the SWPL. As against this, the financial statements of the SWPL show the shareholding of the Company as 10% of its equity capital only. The differential 16% has been being transferred by SWPL in its financial statements from the name of the Company to certain entities who are having credit balances with the Company towards advance given for purchase of shares of SWPL. However, the Company has continued to show investment at original cost and original number of shares in its standalone financial statements on the ground that it has not been provided with necessary approvals by SWPL to justify the change in shareholding.
2. We draw attention to the fact, a lender of a subsidiary has invoked a Shortfall Undertaking of Rs. 6627.20 lakhs. The matter was adjudicated by DRT, Mumbai, passing a recovery order against the Company. Recovery Certificate issued by the Recovery Officer was set aside in appeal by the Presiding Officer. The matter is sub-judice.

Our opinion is not modified in respect of the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter	How our audit addressed the Key Audit Matter
<p>Revenue Recognition as per Ind AS 115</p> <p>As per Accounting standard Ind AS 115 – Revenue from contracts with customer, revenue needs to be recognised based on the satisfaction of the identified performance obligations and related disclosures.</p> <p>We focused on this area because revenue requires significant time and resource to audit due to the magnitude, revenue transactions near to the reporting date and the adequacy of disclosures in this respect has been considered as key audit matter.</p> <p>As per the Ind AS 36, there is a requirement to perform the Impairment study of the assets on the periodical basis. However the Company has continued to carry its PPE at book value</p>	<p>Our audit procedures included the following:</p> <ol style="list-style-type: none"> 1. Obtained an understanding of the Company’s services and performance obligation, and the timing when the performance obligation would be considered as discharged. 2. Information other than the Financial Statement and Auditor’s Report thereon

The Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the financial statements and our auditor’s report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent;

and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we give in the **"Annexure A"**, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

Annexure B to the Independent Auditor's Report

This annexure referred to in paragraph 2 (g) under '**Report on Other Legal and Regulatory Requirements**' in the Independent Auditors' Report of even date to the Members of **Starlog Enterprises Limited** on the Standalone Financial Statements for the year ended 31st March 2025.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013, ('the Act')

We have audited the internal financial controls with reference to standalone financial statements of STARLOG ENTERPRISES LIMITED ("the Company") as at 31st March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the ICAI and the

Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to these standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to these standalone financial statements included obtaining an understanding of internal financial controls with reference to these standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;(2)

Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Notes to the Ind AS financial Statements

for the year ended March 31, 2025

1 Corporate Information

Starlog Enterprises Limited ("the Company") was incorporated on 15-12-1983. The Company is operating in Port & Infrastructure facilities, Charter Hire & Operation of Heavy Duty Cranes, Engineering & Erection activities.

2 Summary of significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. The policies have been consistently applied to all the years presented, unless otherwise stated.

a. Basis of preparation

i. Compliance with Ind AS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] as amended from time to time and other relevant provision of the Act.

The Financial Statements are presented in INR and all values are rounded off to the nearest lakhs (INR 00,000), unless otherwise stated. The financial statements have been prepared on a historical cost basis, except certain financial instruments which have been measured at fair value.

ii. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle

- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is No unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

b. Operating Segment

The company is primarily engaged in the business of providing cranes on rental basis. Further all the commercial operations of the company are based in India. Accordingly, there are no separate reportable segments.

c. Fair value measurement

The Company measures financial instruments at fair value at each balance sheet date.

Notes to the Ind AS financial Statements

for the year ended March 31, 2025

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

d. Revenue recognition

Rendering of services

Revenue from hiring of equipment (cranes & trailers) associated with the transaction is recognised when the Company satisfies a performance obligation by transferring a promised services. When a performance obligation is satisfied, the Company recognise as revenue the amount of the transaction price that is allocated to that performance obligation.

Interest income

Interest income for debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering contractual terms

of the financial instrument but does not consider the expected credit losses.

Dividends

Dividend is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

Rental Income

Rental Income from Investment Property is recognised as part of revenue from operations in profit or loss on a straight-line basis over the term of the lease except where the rentals are structured to increase in line with general inflation.

e. Income Taxes

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to an items recognised directly in equity or in other comprehensive income.

Current income tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of the previous years. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date. Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax loss and tax credits.

Notes to the Ind AS financial Statements

for the year ended March 31, 2025

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

Deferred tax measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is legally enforceable right to offset current tax liabilities and assets, and they to income taxes levied by the same tax authority.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

The recognition of deferred tax assets has been deferred due to the absence of virtual certainty regarding sufficient future taxable profits against which these losses can be utilized. Further, the company has substantial carry forward business losses and unabsorbed depreciation hence, the company will continue to assess the recoverability of this deferred tax assets in future periods.

f. Property, plant and equipment

Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less

accumulated depreciation and accumulated impairment loss, if any. Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss."

Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the company.

Depreciation

Depreciation is calculated on the cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method, and is generally recognised in the statement of profit and loss. Freehold land is not depreciated.

Depreciation on property, plant and equipment is provided over the useful life of assets as assessed by the management as follows-

*Based on single shift. Cranes owned by the company usually work for more than single shift and hence double shift are considered (only wherever applicable).

The useful lives assessed by the management are in line with the useful lives prescribed in schedule II to the companies Act 2013. Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (upto) the date on which asset is ready for use (disposed off).

Notes to the Ind AS financial Statements

for the year ended March 31, 2025

Reclassification to investment property

When the use of a property changes from owner-occupied to investment property, the property is reclassified as investment property at its carrying amount on the date of reclassification.

g. Investment properties

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes), but not for sale in ordinary course of business or for administrative purpose. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and impairment losses, if any. Any gain or loss on disposal of investment property is recognised in profit and loss.

h. Investments in Subsidiaries, Associates and Joint Ventures:

Investments in Subsidiaries, Associates and Joint Ventures are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries, associates and joint venture, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

i. Leases

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of

the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

j. Impairment of non-financial assets

The carrying amounts of property, plant and equipment are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised in the statement of profit and loss when the carrying amount of an asset exceeds its estimated recoverable amount. If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount but limited to the carrying amount that would have been determined (net of depreciation / amortisation) had no impairment loss been recognised in prior accounting periods.

Notes to the Ind AS financial Statements

for the year ended March 31, 2025

k. Provisions, Contingent liabilities and contingent assets

Provisions are recognised when the Company has a present legal or constructive obligation, as a result of past events, and it is probable that an outflow of resources, that can reliably be estimated, will be required to settle such an obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the statement of profit and loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are not recognised but disclosed where the existence of an obligation will only be confirmed by future events or where the amount of the obligation cannot be measured reliably. Contingent assets are not recognised, but are disclosed where an inflow of economic benefits is probable.

l. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits, (which are not pledged) with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

m. Employee Benefits

Provident Fund / ESIC

Retirement benefits in the form of Provident Fund / ESIC are a defined contribution scheme and the contributions are charged to the profit and loss of the year when the contributions to the respective fund are due. There are no other obligations other than the contribution payable to the respective funds.

Gratuity / Leave encashment

The obligation of assets recognised in the balance sheet in respect to defined benefit / leave encashment value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

Change in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Re-measurement gain and losses arising from experience adjustment and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Re-measurements are not reclassified to profit or loss in subsequent periods.

Notes to the Ind AS financial Statements

for the year ended March 31, 2025

n. Foreign currencies

The Company's financial statements are presented in INR, which is also the Company's functional currency.

Transactions in foreign currencies are initially recorded by the Company into functional currency at the exchange rate on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

o. Earnings Per Share

Basic Earnings per share (EPS) amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

p. Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Difference between actual results and estimates are recognised in the periods in which the results are known / materialised.

Note 34 : Financial Risk Management

The Company's principal financial liabilities comprise Borrowings and trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's principal financial assets include investments, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company is exposed to various financial risks. These risks are categorised into market risk, credit risk and liquidity risk. The Company's risk management is coordinated by the Board of Directors and focuses on securing long term and short term cash flows. The Company does not engage in trading of financial assets for speculative purposes

(a) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk arises principally from the Company's trade receivables, receivables from deposits and also arises from cash held with banks and financial institutions. The maximum exposure to credit risk is equal to the carrying value of the financial assets.

Notes to the Ind AS financial Statements

for the year ended March 31, 2025

Note 34 : Financial Risk Management (Contd..)

The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors. The Company limits its exposure to credit risk of cash held with banks by dealing with highly rated banks and institutions.

Trade receivables are typically unsecured and are derived from revenue earned from customers located in India. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109 - Financial Instruments ("Ind AS 109"), the Company uses expected credit loss (ECL) model to assess the impairment loss. The Company computes the expected credit loss allowance for trade receivables based on available external and internal credit risk factors such as the ageing of its dues, market information about the customer, industry information and the Company's historical experience for customers with forward looking experience

(b) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

During the current financial year, the Company has settled a substantial portion of its financial obligations with Bank / Financial Institutions and is in process of settling the majority of its remaining dues with Financial Institutions / Banks by monetising its assets. The details of the repayments are provided in Note no 30.2. This will enable to mitigate the Liquidity Risk of the Company thereby strengthen the financial position of the Company.

As at March 31, 2025, the Company had a working capital of INR 577.05 Lakhs (March 31, 2024 : INR -3,014.14 Lakhs). The working capital of the Company for this purpose has been derived as follows:

(c) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. . Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include borrowings.

(i) Foreign Currency Risk

The Company does not have any exposure in foreign currency. Hence, there is no Foreign Currency Risk in the Company.

(ii) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates, if applicable

Interest sensitivity Analysis :

Since the long term debt obligations carry fixed interest rates, no risk is anticipated on account of interest rate changes

Note 35 : Employee Benefits (Contd..)

(ii) Post-employment obligations - Gratuity

The Company has a defined benefit gratuity plan in India, governed by the Payment of Gratuity Act, 1972. The plan entitles an employee, who has rendered at least five years of continuous service, to gratuity at the rate of fifteen day wages for every completed year of service or part thereof in excess of six months, based on the rate of wages last drawn by the employee concerned. The gratuity plan is a funded plan and the Company makes contributions to recognised funds in India. The Company does not fully fund the liability and maintains a target level of funding to be maintained over a period of time based on estimations of expected gratuity payments. This defined benefit plans expose the Company to actuarial risks, such as interest rate risk and market (investment) risk.

Consolidated Financial Statements

Independent Auditor's Report

TO
THE MEMBERS OF
STARLOG ENTERPRISES LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **Starlog Enterprises Limited** (hereinafter referred to as the "Holding Company"), its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") and its associates (refer Note 50) to the consolidated financial statements), which comprise the Consolidated Balance Sheet as at 31st March 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash flow Statement for the year then ended, and Notes to the Consolidated Ind AS Financial Statements, including a summary of significant accounting policies and other explanatory information prepared based on the relevant records (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information/management accounts of the subsidiaries and associates referred to below in the Other Matters paragraph, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate as at 31st March 2025, their consolidated total comprehensive income (comprising of profit and other comprehensive expense), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group in accordance with the "Code of Ethics" issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their reports referred to in the Other Matters paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Emphasis of Matters

We draw attention to the following matters in the Notes to the Consolidated Financial Statements:

1. As mentioned in Note 40 to the consolidated financial statement, a lender of a subsidiary has invoked a Shortfall Undertaking of Rs. 6627.20 lakhs. The matter was adjudicated by DRT Mumbai, passing a recovery order against the Starlog Enterprises Ltd. ("holding company"). Recovery Certificate issued by the Recovery Officer was set aside in appeal by the Presiding Officer. The matter is sub-judice.
2. As mentioned in Note 24 to the consolidated financial statement, we draw attention to the matter related to one of the subsidiary, Kandla Container Terminal Pvt Ltd ("KCTPL") regarding the service tax payable of Rs. 251.87 lakhs which is net-off services tax input of Rs. 77.36 lakhs.

The input credit of service tax has not been claimed by KCTPL within stipulated time as per service tax regulation and there is reasonable doubt that the same will be available for setoff in future. KCPTL has continued to show it as an asset till the conclusion of its arbitration proceedings with Kandla Port Trust & Ors.

3. We draw attention to fact that Kandla Container Terminal Pvt. Ltd. (“KCTPL”) was issued Cumulative Compulsorily Convertible Preference Share (“CCPS”) of Rs. 1000 lakhs. As per terms, the CCPS should have been converted into equity of the KCTPL at the date no later than 21st October 2016. However, the same are still to be converted. Further, the KCTPL has not done fair valuation of the CCPS as required under Ind AS 32 which is in nature of compound financial instrument on the grounds that they are overdue for conversion as on balance sheet date.
4. We draw attention to the fact that Starlog Enterprises Ltd. (“holding company”) has shown investments of Rs. 1201.20 lakhs in South West Port Limited (“SWPL”) which is equivalent to 26% of equity capital of the SWPL. As against this, the financial statements of the SWPL show the shareholding of the Company as 10% of its equity capital only. The differential 16% has been being transferred by SWPL in its financial statements from the name of the Company to certain entities who are having credit balances with the Company towards advance given for purchase of shares of SWPL. However, the Company has continued to show investment at original cost and original number of shares in its standalone financial statements on the ground that it has not been provided with necessary approvals by SWPL to justify the change in shareholding period.
5. As explained in Note 46 to the Statement, wherein, the holding company has not

consolidated the accounts of West Quay Multiport Private Limited (WQMPL) in its financial results for the quarter and year ended March 31, 2025. The accounts were consolidated in the year ended March 31, 2023 based on the management accounts of the FY 2017-18. The impact of non-consolidation of accounts of WQMPL in the consolidated accounts of the company has resulted in the reduction of assets of ₹ 20240.93 lakhs and liability of ₹ 21692.45 lakhs from the consolidated accounts. Further, the corresponding adjustment has been made in the other equity.

6. As explained in Note 45 to the Statement, wherein, the Company has not received financial statements of South West Port Limited (Associate Company) and Alba Asia Pvt Ltd (Associate Company) for the quarter ended March 31, 2025 and year ended March 31, 2025. The financial impact of the profits or losses on the carrying value could vary based on the final audited financial statement of the associate companies and the consequent impact on the consolidated opening retained earning and the consolidated profit and loss is presently unascertainable.

Our opinion is not qualified in respect of the above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements for the financial year ended 31st March 2025. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context:

Key Audit Matters

Revenue Recognition as per Ind AS 115

As per Accounting standard Ind AS 115 – Revenue from contracts with customer, revenue needs to be recognised based on the satisfaction of the identified performance obligations and related disclosures.

How our audit addressed the Key Audit Matter

Our audit procedures included the following:

- 1) Obtained an understanding of the Company’s services and performance obligation, and the timing when the performance obligation would be considered as discharged.

Key Audit Matters	How our audit addressed the Key Audit Matter
<p>We focused on this area because revenue requires significant time and resource to audit due to the magnitude, revenue transactions near to the reporting date and the adequacy of disclosures in this respect has been considered as key audit matter.</p>	<p>2) Testing on sample basis, the contracts entered into between the Company, the invoices and the relevant underlying documents, including log sheets which are countersigned by the service recipients.</p> <p>3) We have tested, on a sample basis, whether revenue transactions near to the reporting date have been recognised in the appropriate period by comparing the transactions selected with relevant underlying documentation.</p>
<p>Impairment study under Ind AS 36</p> <p>As per the Ind AS 36, there is a requirement to perform the Impairment study of the assets on the periodical basis. However the Company has continued to carry its PPE at book value</p>	<p>Our audit procedures included the following:</p> <ol style="list-style-type: none"> 1. We have reviewed the process and report of physical verification and all assets are in place. 2. Most of the idle assets are old and valued at scrap value in the books of accounts. 3. We have also checked and reviewed the recent sale by the company and found that most of the assets were sold at above book value period needed.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Company's Annual Report, but does not include the Consolidated Financial Statements and our auditor's report thereon. The Company's Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors are responsible for the matter stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows, and changes in equity of the Group and its associate in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind As") specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

The Holding Company's Board of Directors are also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. The respective Management and Board of Directors of the companies included in the Group are responsible for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group

and for preventing and detecting fraud and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which has been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates are responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Consolidated Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements for the financial year ended 31st March 2025, and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of four subsidiaries included in the consolidated financial statement, whose annual financial information reflects total assets of ₹ 5368.77 lakhs as at 31st March 2025, total revenue of ₹ 255.06 lakhs, total Loss of ₹ 172.83 lakhs for the year ended on that date, net of inter-company elimination, as considered in the consolidated financial statement, whose annual financial statement have not been audited by us. These annual financial statements have been audited by the other auditors whose audit reports have been furnished to us by the management and our opinion in so far as it relates to the amount and disclosures included in respect of these subsidiaries is based solely on the audit report of such other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Holding Company's Management.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Companies Act, 2013, we give in the **"Annexure A"** a statement on the matters specified in paragraphs 3 (xxi) of the Order, to the extent applicable.

Annexure “B” to the Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013, (‘the Act’)

In conjunction with our audit of the consolidated financial statements of Starlog Enterprises Limited (hereinafter referred to as “the Holding Company”) as of and for the year ended 31st March 2025, we have audited the internal financial controls with reference to financial statements of the Holding Company, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Group, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial

Reporting (the “Guidance Note”) and the Standards on Auditing specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial control, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit

Meaning of Internal Financial Controls Over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the

transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the Company are being made only in accordance with authorizations of management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group, have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2025, based on the internal control over financial reporting criteria established by the Company considering

the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements insofar as it relates to three subsidiary companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India. The internal financial controls with reference to financial statements insofar as it relates to two associate company, which are a company incorporated in India and included in these consolidated financial statements, have not been audited either by us or by another auditor.

Our opinion is not modified in respect of this matter with respect to our reliance on the work done by and on the reports of other auditors.

Notes to the Ind AS Consolidated Financial Statements

for the year ended 31st March, 2025

Note 1 : Corporate Information

Starlog Enterprises Limited ("the Company" or "Starlog" or "Parent") was incorporated on 15-12-1983. The Company, its subsidiaries and associates are operating in Port & Infrastructure facilities, Charter Hire & Operation of Heavy Duty Cranes.

Note 2 : Summary of significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these Consolidated Financial Statements. The policies have been consistently applied to all the years presented, unless otherwise stated.

Note 2.1 : Basis of preparation

a) Compliance with Ind AS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] as amended from time to time and other relevant provision of the Act.

The Consolidated Financial Statements are presented in INR and all values are rounded off to the nearest lakhs (INR 00,000), unless otherwise stated.

The Consolidated Financial Statements have been prepared on a historical cost basis, except certain financial instruments which have been measured at fair value.

b) Basis of Consolidation

The consolidated financial statements have been prepared by following consolidation procedures as laid down in Ind AS 110 "Consolidated Financial Statements".

i) Subsidiaries

Subsidiaries are all entities (including structured entities) over which the Company has control. The Company controls an entity when the Company is exposed to, or has rights to, variable

returns from its involvement with the entity and has ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Company. They are deconsolidated from the date that control ceases.

Consolidation procedure

- Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries.
- Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.
- Eliminate in full intracompany assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the companies (unrealised profits or losses resulting from intracompany transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intracompany losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intracompany transactions.

Non-controlling interest in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and consolidated balance sheet respectively.

ii) Associates and Joint Ventures

Investments in associates and joint ventures are accounted for using the equity method of accounting, after initially

Notes to the Ind AS Consolidated Financial Statements

for the year ended 31st March, 2025

being recognised at cost in accordance with Ind AS 28 "Investments in Associates and Joint Ventures".

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other event in similar circumstances. If a member of the Company uses accounting policies other than those adopted in the consolidated financial statements, appropriate adjustments are made to the member's financial statements in preparing the consolidated financial statements to ensure conformity with the Company's accounting policies.

iii) Foreign Operations / Subsidiaries

The results and financial position of foreign operations/ subsidiaries that have a functional currency different from the presentation currency of the Company are translated into the presentation currency as follows:

- Assets and liabilities are translated at the closing rate at the date of that balance sheet
- Income and expenses are translated at average exchange rates
- All resulting translation exchange differences are recognised in Foreign Currency Translation Reserve (FCTR) through other comprehensive income (OCI)

Note 2.2 : Significant accounting judgements, estimates and assumptions

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues and expenses during the period and assets, liabilities and the disclosure of contingent liabilities at the date of financial statements. Uncertainty about these assumptions and estimates could result in outcomes that require

a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The Company prepared its financial statements based on assumptions and estimates on parameters available at that time. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Note 2.3 : Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Notes to the Ind AS Consolidated Financial Statements

for the year ended 31st March, 2025

Note 2.4 : Operating Segment

The Company, its Subsidiary(ies) and Associates are primarily engaged in the business of Port & Infrastructure facilities, Charter Hire & Operation of Heavy Duty Cranes. Further all the commercial operations of the Company, its Subsidiary(ies) and Associates are based in India. Accordingly, there are no separate reportable segments.

Note 2.5 : Fair value measurement

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

Note 2.6 : Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

a) Rendering of Services

Revenue from hiring of equipment (cranes & trailers) associated with the transaction is recognised when the outcome of a transaction can be reliably estimated by reference to the stage of completion of the transaction, at the end of the reporting period.

b) Port Operation Services - Container handling, storage services and other ancillary services

The Subsidiary/Associate operates in one of the major ports in India wherein the tariffs are governed by Tariff Authority of Major Ports ('TAMP'). Hence the tariff rate charged by the Subsidiary/Associate are as per the TAMP guidelines.

c) Service concession arrangement - Revenue from construction activities

Revenue relating to the construction contracts (including upgrade services) which are entered into with the Port Trust for the construction of the infrastructure necessary for the provision of services are measured at the fair value of the consideration received or receivable based on the stage of completion of work performed. Revenue from service concession arrangements is recognised based on the fair value of construction work performed at the reporting date. The fair value of the construction work performed is regarded to be its cost.

Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms. Unearned and deferred revenue ("contract liability") is recognised when there is billings in excess of revenues.

A receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due.

Notes to the Ind AS Consolidated Financial Statements

for the year ended 31st March, 2025

A contract liability is the obligation to provide services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. Contract liabilities are recognised as revenue when the Company performs under the contract.

d) License fee payments

A Subsidiary/Associate has access to the land for development of the eighth berth as a container terminal at the port on a build, operate, transfer basis and related infrastructure for providing services to users in accordance with the terms of the concession arrangement with VOCPT. The Subsidiary/Associate makes license fee payments to the port which increases year on year. The license fee terms are for a period of 30 years from October 2012. The agreement entered into is non-cancellable till the termination or expiry of the concession agreement. As per requirements of Ind AS 11 Construction Costs, the Company has accounted for the present value of the future payments (non-cancellable) on the date of entering into the concession arrangement and is being carried at amortized cost.

e) Government grants

Government grants and subsidies are recognised when there is reasonable assurance that the conditions attached to them will be complied, and grant/subsidy will be received.

Government grants relating to income are deferred and recognized in the statement of profit and loss over the period necessary to match them with the costs that they intended to compensate and presented in other income.

The Company has availed the Export Promotion Capital Goods ('EPCG') scheme provided by the Government of India. The Company capitalizes the non-refundable portion of the duty saved as part of intangibles under development and correspondingly accounts for deferred income. Amortization is charged over the useful life of the respective asset and

deferred income is unwound over the period the export obligation is expected to be met. Currently, the Company does not amortize the government grant capitalized as intangibles under development as these assets are not ready for their intended use.

f) Foreign currency transactions

i. Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

ii. Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

iii. Exchange differences

Exchange differences are recognized in Statement of Profit or Loss. Further, Exchange differences arising on a monetary item that, in substance, form part of the company's net investment in a non-integral foreign operation is accumulated in a foreign currency translation reserve in the financial statements until the disposal of the net investment, at which time they are recognised as income or as expenses.

g) Interest income

Interest income for debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that discounts estimated future cash receipts through the expected life of the financial asset

Notes to the Ind AS Consolidated Financial Statements

for the year ended 31st March, 2025

to the gross carrying amount of a financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering contractual terms of the financial instrument but does not consider the expected credit losses.

h) Dividends

Dividend is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

Note 2.7 : Income Taxes

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to an items recognised directly in equity or in other comprehensive income.

a) Current income tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of the previous years. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date. Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

b) Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax loss and tax credits.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused

tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred tax measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is legally enforceable right to offset current tax liabilities and assets, and they to income taxes levied by the same tax authority.

c) Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Note 2.8 : Property, plant and equipment

a) Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment loss, if any. Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

Notes to the Ind AS Consolidated Financial Statements

for the year ended 31st March, 2025

b) Transition to Ind AS

On transition to Ind AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2018, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment.

c) Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the company.

d) Depreciation

Depreciation is calculated on the cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method, and is generally recognised in the statement of profit and loss. Freehold land is not depreciated.

e) Reclassification to investment property

When the use of a property changes from owner-occupied to investment property, the property is reclassified as investment property at its carrying amount on the date of reclassification.

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes), but not for sale in ordinary course of business or for administrative purpose. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and impairment losses, if any. Any gain or loss on disposal of investment property is recognised in profit and loss.

Note 2.9 : Leases

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

Note 2.10 : Impairment of non-financial assets

The carrying amounts of property, plant and equipment are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised in the statement of profit and loss when

Notes to the Ind AS Consolidated Financial Statements

for the year ended 31st March, 2025

the carrying amount of an asset exceeds its estimated recoverable amount. If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount but limited to the carrying amount that would have been determined (net of depreciation / amortisation) had no impairment loss been recognised in prior accounting periods.

Note 2.11 : Provisions, Contingent liabilities and contingent assets

Provisions are recognised when the Company has a present legal or constructive obligation, as a result of past events, and it is probable that an outflow of resources, that can reliably be estimated, will be required to settle such an obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the statement of profit and loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate. Contingent liabilities are not recognised but disclosed where the existence of an obligation will only be confirmed by future events or where the amount of the obligation cannot be measured reliably. Contingent assets are not recognised, but are disclosed where an inflow of economic benefits is probable.

Note 2.12 : Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits, (which are not pledged) with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

Note 2.13 : Employee Benefits

Provident Fund / ESIC

Retirement benefits in the form of Provident Fund / ESIC are a defined contribution scheme and the contributions are charged to the profit and loss of the year when the contributions to the respective fund are due. There are no other obligations other than the contribution payable to the respective funds.

Gratuity /Leave encashment

The obligation of assets recognised in the balance sheet in respect to defined benefit / leave encashment value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

Change in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Re-measurement gain and losses arising from experience adjustment and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive

Notes to the Ind AS Consolidated Financial Statements

for the year ended 31st March, 2025

income. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Re-measurements are not reclassified to profit or loss in subsequent periods.

Note 2.14 : Foreign currencies

The Company, its Subsidiary(ies) and Associate's financial statements are presented in INR, which is also the Company's functional currency.

Transactions in foreign currencies are initially recorded by the Company, its Subsidiary(ies), Associates into functional currency at the exchange rate on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

Note 2.15 : Earnings Per Share

Basic Earnings per share (EPS) amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

Note 2.16 : Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Difference between actual results and estimates are recognised in the periods in which the results are known / materialised.

Consequently, the provisions made for interest relating to these periods have been written back.

Notes to the Ind AS Consolidated Financial Statements

for the year ended 31st March, 2025

Note 32 : Exceptional items (Contd..)

Note 32.3 : During the financial year, the company conducted a comprehensive review of its outstanding advances. Based on this assessment, and in accordance with the Company's accounting policies and applicable IND AS, advances amounting to INR 209.99 lakhs were determined to be irrecoverable and have been written off.

The Company continues to evaluate its receivables and advances periodically to ensure that appropriate provisions and write-offs are made in line with the ECL model.

Note 32.4 : During the financial year, the company has recognized certain exceptional items. These transactions did not result in any tax liability, as the company has substantial carry forward losses and unabsorbed depreciation under the Income Tax Act, 1961, which are available to offset taxable income.

33 Financial Assets measured at Fair Value

		(INR in Lakhs)	
Investment carried at fair value through OCI	Notes	March 31, 2025	March 31, 2024
Valuation Method - Level 3 (Refer Note below)	5(B)	10.54	10.54
Total financial asset		10.54	10.54

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. There are no items falling under Level 1.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. There are no items falling under Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Note:

- (i) For the Company there are no financial liabilities which are measured at fair value - recurring fair value measurements or at amortised cost for which fair values are required to be disclosed.

34 Capital Management

For the purpose of the Company's capital management, equity includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value. The Company's Capital Management objectives are to maintain equity including all reserves to protect economic viability and to finance any growth opportunities that may be available in future so as to maximize shareholders' value. The Company is monitoring capital using debt equity ratio as its base, which is debt to equity. The company's policy is to keep debt equity ratio below two. There is constant endeavour to reduce debt as much as feasible and practical by improving operational and working capital management.

Note 39 : Financial Risk Management

The Company's principal financial liability represents Borrowings. The main purpose of this financial liability is to pay for Company's operations. The Company's principal financial assets consists of Investment in Group Company, Plant Property & Equipment, Investment Properties and trade receivables that are derived directly from its operations.

The Company's activities exposes it to credit risk, liquidity risk and market risk. All such activities are undertaken within a approved risk management policy framework.

The Board of Directors approves these policies for managing each of these risks, which are summarised below:

(a) Credit risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from Trade Receivables and other Financial Asset. Trade receivables are typically unsecured and are derived from revenue earned from customers located in India. Credit risk has always been managed by the Company through credit approvals and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the Company has adopted expected lifetime credit loss model to assess the impairment loss, and is positive of the realisability of the other trade receivables and other Financial Asset.

(b) Liquidity risk

Liquidity risk arise from the unlikely possibility of Companies inability to meet its cash flow commitments on due date. Company exercises local financial market to meet its liquidity requirement. During the current year, the Company has settled a substantial portion of its financial obligations with Bank / Financial Institutions and is in process of settling the majority of its remaining dues with Financial Institutions / Banks by monetising its assets. This will enable to mitigate the Liquidity Risk of the Company thereby strengthen the financial position of the Company.

Claim by Subsidiary of the Company - Kandla Container Terminal Private Limited

Kandla Container Terminal Private Limited (KCTPL), a subsidiary company, has terminated the license agreement with Kandla Port Trust (KPT) on 9th November, 2012 and arbitration proceedings have commenced thereafter. On 27th September, 2013, KPT had taken over all the fixed assets. Correspondingly, all the secured liabilities against said fixed assets were also transferred to KPT. KCTPL has claimed Rs.536.35 Crore from KPT which has made a counter claim against KCTPL for Rs.2345.35 Crore. Counter claim of KPT includes Rs.1438.21 Crore on account of profit share for the period from the date of termination of the contract until the expiry date as per the original contract. KCTPL considers the counter claim untenable as the possession of the fixed assets and control of port operations are with KPT. Similarly counter claim of KPT also includes replacement cost of plant & machinery amounting to Rs.583.76 Crore which KCTPL considers untenable as there is no such provision in the License Agreement. KCTPL believes that, its claim of Rs. 583.76 Crore is realisable and KCTPL has a good case on merits. The company has received a legal opinion from M/s. Jerome Merchants + Partners that supports its claim.

As per the terms of the licence agreement with KPT, all the secured debt gets transferred to KPT on termination of the said agreement upon KPT taking over port assets of KCTPL. However lenders have continue to show the aforesaid secured liabilities amounting to Rs.95.10 crore as on 31st March, 2017 (status quo pro as on date) as recoverable from KCTPL which KCTPL has disputed in the aforesaid arbitration proceedings. During the financial year ended 31st March, 2016, Bank recovered matured margin money kept with the bank along with interest for Rs 2.89 crore as against aforesaid dues, which KCTPL considers against the provisions of license/other agreements and has accordingly shown the same as recoverable from the Lenders.

KCTPL had invoked bank guarantee given by a machine supplier and realized Rs. 8.39 crore during the year ended 31.3.2013 which was reduced from the cost of Plant and Machinery. However, the supplier is disputing the invocation of bank guarantee and the matter is sub-judice.
