2. In our opinion and to the best of our information and according to the explanations given to us, the Statement:
 - i. Is presented in accordance with the requirements of the Listing Regulations in this regards; and
 - ii. Except for the possible effect of the matter described in the Basis for Qualified Opinion paragraph below, gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information of the Company for the quarter ended March 31, 2023, and for the year ended March 31, 2023.

Basis of Qualified Opinion

3. In relation to Going Concern assumption we refer to Note 7 of the Statement where it is mentioned that the Company's current liabilities are in excess of its current assets by ₹. 4,186.57 lakhs which is largely on account of current maturities of its long-term debts. Further, as mentioned in Note 4 of the Statement, the Company has contingent liabilities regarding EPCG Obligations, demands from sales tax / MVAT department and invocation of the Shortfall Undertaking by a lender of a subsidiary having amount of ₹. 6,627.20 lakhs. Further, majority of the cranes have been idle with values deteriorating due to corrosion and being stationed unused and at remote locations. These situations indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern, however the Company has prepared its standalone financial statements as a going concern. The impact of the same on the standalone financial statements of the Company is unascertainable.
4. Some of the cranes of the Company are not on hire and is causing deterioration in life of the assets. However, the Company has not conducted an impairment study under Ind AS 36. As mentioned in Note 8, the Company has continued to carry its PPE at book value. The impact of the same on the standalone financial statements of the Company is unascertainable.
5. As mentioned in the Note 6 of the statement, we have not received balance confirmation from Axis Bank Ltd (Lender) as on March 31, 2023, and have been unable to confirm the balances through any alternate means. The impact on the result of the Company is unascertainable.
6. As mentioned in the note no 5 of the Statement, in respect of Trade Receivables, Trade Payables, Loans & Advances (Assets) and Advances Liabilities are subject to confirmation/ reconciliation from respective parties. Hence, any material impact on the financial statement due to the same cannot be ascertained.

7. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013, as amended ('the Act'). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Statements" section of our report. We are independent of the Company in accordance with the code of Ethics issued by the Institute of Chartered Accountants of India together the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Emphasis of Matter

8. The Company has shown investments of ₹. 1,201.20 lakhs in an associate which is equivalent to 26% of equity capital of the associate. As against this, the financial statements of the associate show the shareholding of the Company as 10% of its equity capital only. The differential 16% have been claimed by the associate as being transferred in its financial statements from the name of the Company to certain entities who are having credit balances with the Company towards advance given for purchase of shares of the associate. . However, the Company has continued to show investment at original cost and original number of shares in its standalone financial statements on the ground that it has not been provided with necessary documents by the associate to justify the change in shareholding and settlement with the transferee entities.
9. As mentioned in Note 4, a Lender of a Subsidiary has invoked a Shortfall Undertaking of ₹. 6,627.20 Lakhs. The matter was adjudicated by DRT, Mumbai, passing a recovery order against the Company. Recovery Certificate was issued by the Recovery Officer was set aside in appeal by the Presiding Officer. The matter is sub-judice.
10. We draw attention to the fact that the Bank Balance Confirmation from one bank account and term deposit statements could not be obtained by the Company. The Management stated that this is an old account and despite efforts Balance Confirmation from Bank could not be obtained. In absence of any statement and balance confirmation, any material effect due to such non-reconciliation is currently not ascertainable.
11. We draw attention to the fact that company is in process of identification of status of it's suppliers under Micro, Small and Medium Enterprises Development Act, 2006. In absence of such information, any material effect is currently not ascertainable.

Our opinion is not modified in respect of the above matter.

Management's Responsibility for the Standalone Financial Statements

Basis for Qualified Opinion

3. As fully explained in Note 4 to the Statement, in relation to going concern assumption it is mentioned that the group current liabilities are in excess of its current assets by Rs.9,051.77 lakhs which is largely on the account of current maturities of its long term debts. Further, as mentioned in note 5 to the Statement, the Company has contingent liabilities regarding EPCG obligations, demands from the sales tax / MVAT department and invocation of the shortfall undertaking by a lender of subsidiary of Rs.6,627.20 lakhs. These situations indicate that material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, the company has prepared its statement as a going concern. The impact of the same on the statement of the company is unascertainable.
4. As fully explained in Note 7 and 8 to the Statement, the Company has not received financial statements of associates for year ended 31st March, 2023. It has continued with the same balances for the associates as appearing in consolidated financial statements for year ended 31st March, 2018. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the Statement.
